**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I work from home and depend heavily on my internet connection. I have a business and work for a traditional company and providers, like sonic, help me with low cost options that are more dependable and efficient than the big name telecom companies. We deserve to have the freedom of choice in who we get our service from.

Please don't allow companies, like AT&T, to try and control and force us to use their services.

Thank you

Gina Hendrickson
